

Mobile Work Caravans Product Guide

room2move.com supply a comprehensive range of industrial strength Work Caravans for sale or lease. The Work Caravans are purpose built for the extreme remote environments encountered in Australia.

Through innovative caravan design and using the latest Work Caravan manufacturing technology, the **room2move.com** Work Caravans are proudly Australian made and have engineered a product that exceed Australian industry standards which has adverse usability including;

- Accommodation Caravans/Site Facilities
- Site Office/Kitchens
- Storage/Equipment Rooms
- Recreation Rooms
- Ensuite/Shower/Toilet Work Caravans

room2move.com are able to provide our customers with a range of Work Caravans that will accommodate your entire workforce.

Whether you are in the mining, exploration, drilling, road and rail construction, pipeline construction, rapid deployment or relocation or Caravan Park Industry, you will find the work caravan to suit your needs and required accommodation purposes.

room2move.com provides a cost-effective solution for any short-term or permanent accommodation requirements.

Customer benefits:

- Councils are more favourable to work caravans compared to donga accommodation as they are portable, manage their own waste, are fully self contained and supply their own on board utilities.
- Engineered to last
- The ability to have a portable camp moved cost effectively and efficiently
- Savings on transport and infrastructure costs
